## EXPERIENCE

<b>Attendance Dashboard for Employee Performance Evaluation - RRCAT(DAE)</b>	From May,2024 to June,2024
<b>Tech Stack:</b> MongoDB, ReactJS, Node.js, Express.js, Chart.js, Table.js	
<ul style="list-style-type: none"><li>Developed an Attendance Dashboard enabling heads to view real-time statistics on employee attendance, including in-time, checked-in, checked-out, leave/absence status, and division/section-wise statistics.</li><li>Utilized MongoDB aggregation pipeline to handle a dataset of over 1450 employees, managing data spanning RRCAT's history, surpassing 32 lakhs+ records this year alone.</li><li>Designed user-friendly UI components and interactive data visualization using Chart.js and Table.js, ensuring accessibility and ease of use for end-users.</li></ul>	

## PROJECTS

<b>StudyNotion: Online Education Platform</b>	January 2024
<b>Tech Stack:</b> ReactJS, NodeJs, Express, MongoDB, Cloudinary, Razorpay	<a href="#">Link to Github</a>
<ul style="list-style-type: none"><li>Implemented user authentication and course management.</li><li>Integrated Razorpay for payments.</li><li>Utilized Cloudinary for media management.</li></ul>	
<b>StudyStream: Online Video Conferencing Platform</b>	March 2024
<b>Tech Stack:</b> NextJs, Typescript, getStream, Clerk, Tailwind	<a href="#">Link to Github</a>
<ul style="list-style-type: none"><li><b>Authentication:</b> Implements authentication and authorization features using Clerk, allowing users to securely log in via social sign-on or traditional email and password methods, while ensuring appropriate access levels and permissions within the platform.</li><li>Participants have full control over meeting aspects, including recording, emoji reactions, screen sharing, muting/unmuting, sound adjustments, grid layout, participant list view, and individual participant management (pinning, muting, unmuting, blocking, allowing video share).</li><li><b>Secure Real-time Functionality:</b> All interactions within the platform are secure and occur in real-time, maintaining user privacy and data integrity.</li></ul>	

## POSITIONS OF RESPONSIBILITIES AND ACTIVITIES

### PRODUCTION COORDINATOR - ECELL, IET DAVV

- Currently spearheading the production team in curating and delivering high-quality content for entrepreneurial-focused Reels, showcasing a keen understanding of business principles and innovation.
- Played a pivotal role in coordinating the Entrepreneurial Summit (E-Summit 2023) and, alongside the production team, delivered quality content that surpassed a reach of 100k+ on Instagram. Demonstrated effective event management and content creation skills.
- Passionate about photography and videography, I manage my Instagram page @clumsyshots where I share creative works capturing everyday moments and artistic perspectives, fostering engagement and community interaction.

### GAMING HEAD - PHOENIX GAMING, IET DAVV

- Led the gaming division at Phoenix Gaming, overseeing all gaming-related activities and initiatives.
- Organized and managed over 20 gaming tournaments with a total participation exceeding 2000 gamers.
- Coordinated marketing campaigns, and live streaming efforts to enhance tournament visibility and engagement.
- Achieved significant live stream impressions and viewer engagement, contributing to the growth of Phoenix Gaming's gaming community.
